The Action Taken Report on the previous External Evaluation was placed before the committee as follows:

Sl.No	Recommendations	Action Taken
1	The Departments are advised to organized more number of Webinars through Online mode in the wake of COVID-19 scenario for the benefit of faculty members.	<ul style="list-style-type: none"> • The Biochemistry Department conducted a webinar on “Traditional System of Medicine in Modern Health Care” in association with Dept. of Indian Medicine and Homocopathy, on 4th January 2021. • The Biotechnology Department organized a webinar on “Future Prospects of Biotechnology” on 7th May 2021 • The Biotechnology Department organized a webinar on Assessment and Treatment of Tibio-Tarsal Joint Mycobacterial Arthritis on 14th May 2021. • The English Department organized a webinar Lecture Series on Green Novel.
2	The Departments may also conduct more online Quiz programmes to engage students through online mode.	<ul style="list-style-type: none"> • The Biochemistry Department conducted an online Quiz programme on 8.6.2020
3	The Faculty members can contribute to the E-Learning platform by developing E-Content in the form of YouTube videos and recorded Video contents so that students can continue their learning safely from home.	<ul style="list-style-type: none"> • The Computer Science Department developed E-Content in the form of YouTube Videos and recorded video content for the benefit of the students.
4	The Departments are encouraged to arrange for online Certificate Courses for the benefit of students to learn the latest Trends and Technologies in the Industry through online mode.	<ul style="list-style-type: none"> • The Computer Science Department collaborated with the IIT Bombay-Spoken Tutorial programme for offering online Certificate courses for the students.
5	The Departments are motivated to organize National-level and	<ul style="list-style-type: none"> • The Tamil Department organized Online National and International Conferences

	International-level Conferences and workshops through Online mode	
6	The Teachers are encouraged to focus on Research through funded projects and paper publications.	<ul style="list-style-type: none"> • Staff members from Commerce and Physics published Research articles in UGC Care-listed journals. • Mrs. A. Rajalakshmi, Research Scholar, Dept. of Biotechnology, received funded project for 3 Lakhs from TNSCST

The External members offered the following suggestions based on their evaluation of all the Departments of the College:

- Life Science Departments may organize Social Awareness Programmes, Health Awareness Camps and Vaccination Camps raising awareness about the need for Vaccination in the wake of COVID-19.
- Departments may organize Induction Programmes for fresher students by inviting Resource persons from the Industry to create awareness on the Career prospects that lay ahead.
- Departments may take initiatives to apply for Patents in their Thrust areas of Research and Innovation.
- Non-Research Departments should take measures to introduce Research programmes like M.Phil and Ph.D., in their respective Departments.
- Research Departments are advised to take efforts to garner Funded projects and Sponsored Fellowships from Government and Non-Government agencies.
- Departments are encouraged to organize Collaborative Workshops with other Institutions and Industries for the benefit of faculties and students.
- Faculty members are motivated to contribute to Scholarly Research through higher number of Research publications in peer-reviewed Journals.
- The Students should be motivated to engage in Participative-Learning by conducting various activities such as Student Forums and Seminars.

The vote of Thanks was delivered by Dr. B. Ramesh, Dean (Academics).
