## Brief History of the College

### Genesis

His Holiness Sri Sankaracharya Sri Chandrasekharendra Saraswathi Mahaswamigal of Sri Kanchi Kamakoti Peetam had the vision of reviving the Gatikasthana (traditional University of Kanchi as Nalanda in the North) through modern temples of learning. His Holiness Sri Jayendra Saraswathi Swamigal, His Illustrious Successor fulfilled the vision of His Guru, by establishing SRI SANKARA ARTS AND SCIENCE COLLEGE in 1991, in addition to a number of Patasalas (Vedic Schools), to provide quality higher education to the rural folk and to promote among the youth, the highest and loftiest ideals that constitute the essence of our Culture.

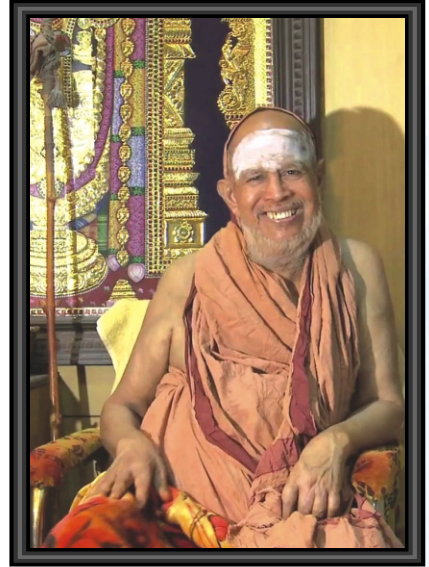

### Our Patrons

The College is named after Sri Adi Sankara Bagavadpadacharya, who established Sri Kanchi Kamakoti Peetam in Kanchipuram and adorned it as the First Acharya. ### *A sketch of the college*

Kancheepuram is hailed as one of the Seven sacred Mokshapuris. The preceptor of Avaita Philosophy Sri Adi Sankara established Sri Kanchi Kamakoti Peetam in Kancheepuram ascended Sarvagnapeetam and attained the Abode of Goddess Kamakshi. Art, Culture and literature flourished in the glorious city of Kanchi in the horay past. Archeological evidences say that several Universities existed in Kanchipuram dispelling the doubts. Kanchi also was centre of learning where scholars of all the disciplines used to meet and debate in the institutions called Gatikasthanas.

It is the cherished desire of His Holiness Sri Chandrasekharendra Saraswathi Swamikal, the 68th Pontiff of Sri Kanchi Kamakoti Peetam to revive the art, culture and scholarship existed in the Gatikasthanas in Kanchi and started Sri Sankara Arts and Science College in 1991. Sri Jayaendra Saraswathi Swamikal, the illustrious successor of the illustrious Guru fulfilled the mission of Sri Mahaswamikal in the starting the Sri Chandrasekharendra Saraswathi Viswamaha Vidyalaya, University.

Affiliated permanently to the Glorious University of Madras, the college offers job oriented courses with an emphasis on discipline, dedication dexterity and diligence. Apart from coaching the college believes in inculcating our cultural, ethical, legendary, moral and spiritual values which alone will sustain a person in leading a meaningful life. Instilling a sense of patriotism, imbibing our standards of life, inculcating the all - round personality development with an emphasis on service to humanity have been the motto of our Jagadgurus in starting this institution.

Being on a Spiritual Path does not prevent you from facing times of darkness.  
But it teaches you how to use the Darkness as a tool to grow.

The college offers UG and PG courses in English, Mathematics, Biochemistry, Microbiology, Biotechnology, Computer Science, Commerce and Business Administration and UG Courses in Tamil, Physics and Computer Application apart from a five-years Integrated M.Sc Degree in Computer Science and Technology. The college believes that achieving academic standards in the class room alone will not be sufficient to face the challenges of the ever expanding modern world. So we have introduced vocational Training to the students in the disciplines of Computer Science, Bio informatics and Electronics by providing Diploma Course. To equip the students with good communication skills, we are offering an Intensive spoken English Training Course under the Guidelines of UGC. Student's participation in the national level and state level seminars, competitions and symposiums and bagging the prizes are the regular features of our college. The college got the prestigious status under 2F of UGC Act 1956. The College is Accredited by NAAC with "A" Grade. The College was offered with Autonomous Status by UGC in the year 2015-16. A Community College is also run by the Institution, offering Free Vocational Diploma Courses for the Rural people in Tailoring, Cell Phone Service, Air conditioning, and Multimedia.

Service to humanity is service to God. We have four NSS units and a Voluntary service Association started by His Holiness, Sri Sankara Seva. Adopting villages, Rural Development programmes, Free Medical Camps, Free Eye camps, Blood Donation camps, Cultural Activities, Temple service are the hall marks of these associations.

Located in a sprawling campus of 20 acres, far away from the hurly burly of the urban life, the college provides excellent infrastructural facilities for all the courses and opportunities for games and sports and extracurricular activities. Having got the permanent affiliation with the University of Madras the college has emerged as a seat of high academic and moral standards. The students of our college enjoy the unfailing Grace of Their Holiness of Sri Kanchi Kamakoti Peetam which provides a serene atmosphere in the college for building up character, conduct and capacity and promotion of ethical and cultural values with an emphasis on Harmony and Peace.
